About

Originaire de Paris, Jonathan est un directeur de la photographie et chef électricien passionné. Diplômé de l'Institut International de l'Image (3IS) à Paris, où il s'est spécialisé en caméra et lumière, il s'est lancé dans l'exploration visuelle et esthétique.

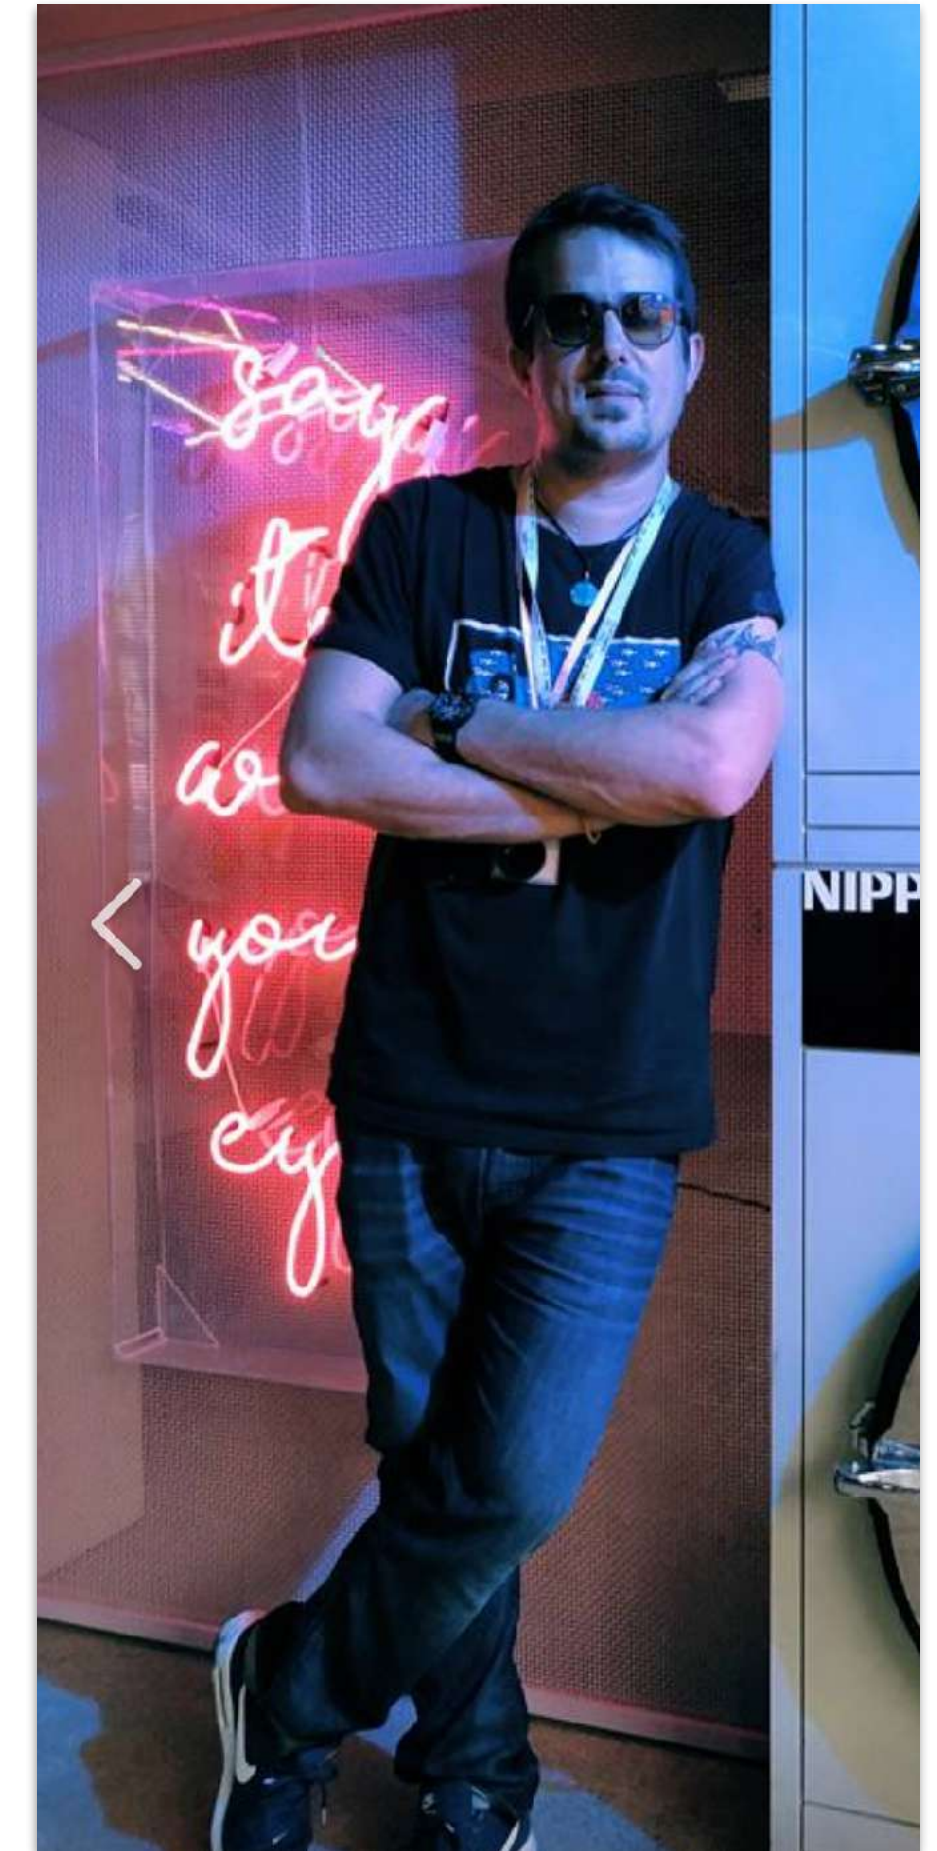

Depuis 2015, il est basé à Shanghai, où il s'est pleinement immergé dans le monde de la cinématographie. Durant 14 ans de carrière, Jonathan a travaillé sur des projets variés, notamment des fashion films, des publicités, des longs métrages, des courts métrages et des Clipvidéo, dans différentes villes en Chine.

Son approche de la photographie est méticuleuse et personnalisée pour chaque projet. Jonathan cherche à harmoniser la lumière, la couleur, la composition et le mouvement afin de servir efficacement la narration. Sa curiosité le pousse à élargir continuellement sa palette visuelle, veillant à ce que chaque image raconte une histoire intrigante.

Jonathan, originally from Paris, is a passionate cinematographer and gaffer. After graduating from the International Image Institute (3IS) in Paris, where he specialized in camera and lighting, Jonathan embarked on a journey to explore visual aesthetics.

Since 2015, he has been based in Shanghai, where he has fully immersed himself in the world of cinematography. With a career spanning 14 years, Jonathan has worked on a diverse range of projects, including fashion films, TV commercials (TVC), feature films, short films, and music videos across various locations in China.

His approach to cinematography is meticulous and tailored to each project. Jonathan seeks to harmonize light, color, composition, and movement to serve the narrative effectively. His curiosity drives him to continually expand his visual palette, ensuring that every frame tells a compelling story.
